- Great opportunity for students. Happy to take part in other schools.
- It would have been better to start the interviews earlier in the day. Not enough time between students to read their c.v and job spec. Would be better if we could receive the students c.v and jobs applied for etc the day before so we could be better prepared. Could be listed as student 1, 2, 3 for example if data protection an issue. I enjoyed the day and think it is such a good idea. All schools should do it!
- Excellent opportunity for the students – I enjoyed taking part too
- Only that although the information received was good, it was received last minute- also seeing the cv's and job spec -without personal information- in advance, would be better. Otherwise a lovely day, such great students
