

**Medway Education Business Partnership
Teachers Evaluation Report
Kent Choices North 7 March 2017**

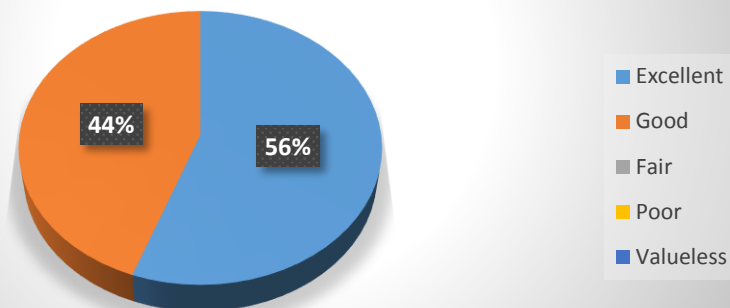

The event brought together over 60 local colleges, training providers and employers to help students from north Kent schools to explore their options. The focus was on providing information and support to make a successful transition into post 16 learning, and signing students up to courses on the day. Teachers evaluate against the objectives set for the event.

- Excellent event
- It was absolutely freezing cold.
- One of the Trust Schools have requested if they could bring more students next year which highlights how positive they considered the event.
- Seating area and inside reception would have enhanced the event. Presenters very proactive and exceptionally engaging. Great idea with card competition for students. Event was exceptionally engaging for some very difficult to please students.
- Excellent day, thank you
- Valuable event – they all came away with something
- Somewhere for teachers to sit. Event was aimed at students so staff could take a 'back seat'.
- Very worthwhile event for our students. The venue was cold and unwelcoming however.
